

11/4 Additional request for pricing

In addition to the firm, fixed price, it would be useful for the Town to have a per linear foot cost for the following items (including installation), should additional quantities be required beyond the initial Scope of Work:

- Filter fabric under mulch: _____ per linear foot (assuming 5' width, per plans)
- Triple shredded hardwood bark mulch: _____ per linear foot (applied per plans)
- Filter Sock: _____ per linear foot (installed per plans)
